

Lowest selection ranks

December Round 2

2023–24 admissions

Institutions have released the lowest selection rank required by 2023 Year 12 applicants for entry into each course.

Applicants are selected based on their overall selection rank. The selection rank for Year 12 students is made up of their ATAR and any adjustment points they have received.

Therefore, the lowest selection rank for a course does not necessarily represent the minimum ATAR required for entry into the course. Many students with ATARs below the lowest selection rank get offers.

Note that these lowest selection ranks relate to Year 12 applicants only. Institutions may take any or all of the following into account when assessing non-Year 12 applicants – tertiary studies, secondary studies, post-secondary studies and other relevant factors such as employment history and special circumstances.

If **N/A** appears instead of a lowest selection rank, a lowest selection rank is not applicable because of one of the following reasons:

- selection criteria other than ATAR were used
- the course was not offered to Year 12 applicants in this round
- no offers have been made to Year 12 applicants in this round.

December Round 2 offers

If you have received a December Round 2 offer, you are advised to accept it, even if it is not for your first preference. You will be considered again for your first preference in later rounds, but there is no guarantee that you will receive another offer. If you do receive a later round offer to a course you prefer, you can accept that offer and withdraw from the previously offered course.

For more information on accepting offers, read 'Accepting and enrolling' on UAC's website at uac.edu.au/current-applicants/undergraduate-applications-and-offers.

Next offer round

The next offer round is January Round 1 on Thursday 11 January 2024. Some institutions have listed an indicative lowest selection rank (ATAR including adjustment factors) for January Round 1.

You can log in to your application and change your preferences for January Round 1 until 11.59pm (Sydney time) on **Thursday 4 January 2024**. For more information on changing preferences, visit UAC's website at uac.edu.au/current-applicants/undergraduate-applications-and-offers/changing-preferences-after-you-receive-an-offer.

Course vacancies

All courses will have vacancies for January Round 1.
